

# 3rd Eurasian Doctoral Summer Academy

## EDSA 2018

### A Summer Academy For Doctoral Students and Candidates (Ph.D. & DBA) Within Social Sciences

The 'Eurasian Doctoral Summer Academy' (EDSA) is an initiative taken by a group of internationally renowned universities and associations for strengthening Doctoral Researchers' scientific work towards the completion of their PhD or DBA degrees.

EDSA as a platform is suitable for all doctoral researchers (PhD and DBA students), as well as those who are planning to start their Post Graduate studies. It is also suitable for Deans and Head of research departments as well as PhD / DBA directors.

EDSA 2018 focuses on reviewing works of candidates by the Visiting Doctoral Advisors, external academic consultants, while providing training, lectures, and seminars on topics such as
